

Spark Actions Internship Posting – Summer, 2018

About Spark Actions

Spark Actions transforms Progressive political engagement into a rewarding habit driving increased millennial action and voter turnout thus impacting election outcomes.

Spark Actions connects what you care about to real action.

By simplifying critical issues of the day and delivering them in a witty package, Spark Actions tells you why an issue matters and how to take an immediate action.

It then provides incentives to engage your network to take action, magnifying your impact.

Spark is entering into an even more exciting time and we're looking to expand our team with some hungry interns. We're a small, hard-working and very fun team that's working on changing the face of political action. Come on, let's go.

Sparkactions.com

What you might be doing

We are going to get the word out about Spark and you'll be playing a big role in that.

Helping us develop the content, acquisition, marketing, and social strategy as we prepare for full launch

Helping us develop political engagement/action strategy and working with the team to build partnerships in the political, government, and activist arenas

Work on business development, partnerships, activism outreach

Help develop our State and Get Out The Vote 2018 strategies, plans and help on implementation

Collaborate across content and social media to maintain a strong brand voice
Working with us to develop revenue streams, rev projections and pitch deck as we look for our next raise in Q1 2018
Create and implement out of the box marketing strategies to drive user growth

Is this you?

You are a full-time college student

You want to own projects and really have a seat at the table

Willing and capable out of the box thinker

Detail oriented and able to juggle multiple tasks

Ability to think on your feet and work in a fast-paced environment

Send Resume & Cover Letter to:
